

Acceptable Use Policy

Version 1.0 · effective 8 June 2026 · Legal contact: support@xdbay.com

1. Acceptable Use Policy

Illegal services, fraud, phishing, malware, ransomware, botnets, credential stuffing, spam, sanctions evasion, money laundering, terrorist financing, darknet activity, sale of stolen data, unauthorized security testing and any action without lawful basis are prohibited.

The Platform may not be used for weapons, drugs, human exploitation, extremism, forged documents, impersonation, intellectual property infringement or unlawful personal data processing.

It is prohibited to bypass XDBay fees, move a transaction off-Platform after contact on XDBay or use chat to conclude hidden transactions.

XDBay may block, delete, freeze and disclose information about violations to relevant persons and authorities.
